Has been pre-filed in the House  
**FOLLOW** this bill online

The bill was endorsed on December 7, 2018 by the  
Legislative Health & Human Services Committee

### *Next steps*

**We are waiting to hear about which committees it will go to.**

**Action**

Contact your Representative and get their  
commitment to vote for the bill when it  
comes to the floor.

**FIND** your legislator.

**Action**

Collect stories about your health council's accomplishments  
and challenges.

It is also important to let your legislators know about what your health  
council was able to do when it was fully funded to demonstrate that  
health councils need the investment of funding resources.
